Funds are sufficient in FY 2002 through FY 2005 budget and financial plan because no additional District staff or resources will be required to implement the provisions of the proposed legislation.

**Background**

The proposed legislation adopts the District of Columbia Taxicab Commission expenditure plan for FY 2002. The purpose of the proposed resolution is for the District of Columbia Taxicab Commission to obtain Council approval for the amount and the use of the money declared in the expenditure plan.
